“ Audrey, I love you before and after I will always love you. I think of you every day and every night. I always thought that I would be the first to say goodbye but god knows what’s best. I do believe that we meet again because the love we had for each other was a lasting love and god brought us together and we were meant to be together.

“ Ollie, Trave and your family, Aunt Lauretha, and Cheryl, you have our deepest condolences and sympathy with Audrey’s homegoing. All we can do is to stagger forward and brace one another given the speed of her transition. We thank God for the time with her and her voice, laugh, and practical point of view will never be forgotten. May God bless her soul and provide strength and comfort to all of us who remain on this side of time and eternity. Love lives forever and we look forward to seeing her and other relatives again!

“ Audrey was the best friend anyone can have. She was like a sister to me. She was a beautiful lady with a warm spirit, a kind heart and always supportive. We always had long conversations and she always had questions ðŸ™° which I attributed to her vocation as a great lawyer. I loved her and will miss her deeply.
