“ My name is Cee-Cee Starks formally Cee-Cee Craig. Caroline was my cousin by way of her aunt Jessie Minette. I just found about Caroline's passing. I've been looking for her for the past 3 to 4 years. I tried to call her old number and there was no answer or disconnected. I had no idea that she had passed. It is with great sadness That I feel because we were sort of close but after my mom passed away, didn't keep in touch as frequently as I would love to. she was a wonderful person. I loved her so much we shared a lot, and we shared a family. Her mother was very dear to me till the very end and auntie Bobo I miss her. I miss my mom Jessie Minette and of course I miss you, Carolyn we'll see each other again. In another lifetime. Sorry it took so long to post this. 🥹

“ Carolyn was my one of my first supervisor when I started my career in elderly social services over 40 years ago (at the Golden age Centers kna The Rose Centers For Aging Well). She was generous, encouraging, and supportive. She was a mentor and a friend to me and many, and her work touched the lives of probably thousands more. Though her work often dealt with difficult issues, her spirit was joyful - and her laugh was infectious!!! God Bless this lovely and good lady ! My sincere sympathy to her family and loved ones.

“ Carolyn was my friend from Central State University, where we attended 50 years ago. She and I have shared much laughter and sadness in these years, but we always shared. I know how many of you loved and cared for her. She spoke so often of her friends across the country, and in other countries. Thank you all for the love you showed to her. My love never ends.
