“ I knew Cheryl in a professional capacity. She was very supportive in getting me the help I needed and it helped me to get back on my feet and turn my life around. I am grateful to have known her and send my prayers, love and strength to her family and loved ones. Asé.

“ To: The Valentine Family.I am sorry for your lost.There is hope for her found at John 11:25.Where Jesus said: "I am the resurrection and the life.The one who exercises faith in me,even though he dies,will come to life; Faith inJesus' ransom sacrifice and resurrection.Our love ones who have fell asleep in death,they will come to life. This is a promise that Jehovah has given us.

“ My condolences to the family of Cheryl Valentine. I am shocked and sadden to hear of Cheryl's passing. I'm looking at the graduation picture.

Although I'm saddened by her passing, I'm also smiling from looking at her picture. It's impossible not to. Her smile was contagious. She wore a dark blouse with a loose white draped collar. Cheryl was very meek and sweet. I know I will see her again in heaven.

I am so blessed to have had the pleasure of knowing her. The most important memory that I will always have of her is this: "There are two types of women. Women who CAN be sweet and women who ARE sweet". Cheryl was the later.

Forever yours,
