“ *To my uncle, my godfather, and my friend.....My heart is filled with love for you! I will miss you but I promise I will never ever forget you, at times when we could count on no one else we knew we could count on you. Its hard to put into words what I'm feeling but I know that you are in a place where you can watch over us and sing Sam Cooke and Marvin Gaye all day long with no interruptions. I will remember you every day and keep you with me at all times. Give Grandma a big hug for me and I'll see you both again! P.S I cant call you on our birthday anymore but I promise to always light an extra candle for Uncle Shorty!!!!*
