“ Our sincere condolences to my cousin Tracy and her entire family, I
remember Ernie as a kind and caring brother and father, I
remember him as the Cadillac man, He sold Cadillacs for most of his
life and he was good at it. I liked being in his company whenever we
got together at family times holidays etc. Rest in peace and God
Bless.

“ Tracy and family, you have my deepest condolences on the passing
of your dear father. May you always keep the memories of him in
your heart. Much love always, Cousin Keesha Johnson
