“ Please take comfort in the words that are promised to us by our Heavenly father, it is my hope that through this promise and the company of family and close friends will bring you hope in these words in the days ahead. The prophetic promise is made that God @ Isaiah 25:8 will actually swallow up death forever, and the Sovereign Lord will certainly wipe the tears from all faces. our heavenly father assures his people that sin and death will be swallowed up, or removed, from all the earth. What an exciting promise we have to look forward to! May Jehovah provide you comfort!
