“ *Dear Williams Family,  
I am so sorry to have read of your loss although I do not know your family I still wanted to express my condolences. When I lost a good friend of mine it was really hard for me to keep going. One of the things that really helped me to cope was what the Bible said at John 5:28,29 and Psalms 37:10,11. Thses thoughts helped me so much and I hope they help your family as well.*

*Rebekah.*
