“ We would like to express our deepest sympathy. It's not everyday you can get on the phone and talk to someone whose spirits were always up no matter how bad things were. I will miss those long conversations and receiving pictures of the grandchildren. May she find peace.

“ Fre,
A thousand words can't bring you back, I know because I tried and neither will a million tears because I cried and cried and cried.
Mic & Tone, Your mom and my best friend will be missed by so, so many but her memories will live in our hearts forever. She is truly in a better place and all the pain has ended. May God bless and keep all of us in His arms. Fondly LaJuana Smith
