“ *My life is forever enhanced by the opportunity to be in the frequent company of my late mother's cousin. Since she relocated to Illinois I renamed her as my Aunt Gwen. My visits were her were always filled with family, career, life stories, rich with wisdom and history. Her spirit of warmth, laughter and wit reminded me of the elder Bishop women I've always adored. And as she'd wave "so long" from her chair, that wink with a smile.....lured me to enlist as a keeper of her care! Family members of McKeesport PA and beyond extend their condolences as well. Love, Shelli McPherson Badger*
