“ Harvey Lee Matthews III, will always be my baby boy. How I DO miss you so much son. You are with God now and I and all six of your sisters and family love you so much and miss your smile, jokes, cooking , views on life and your talents. It has been a year now that you have been gone to be with your uncle Raymond Bush and family members in heaven. Even though i know that God had another plan for you and when the sun shines I know its you shining down on us. God only knows I hurt everyday without you here but I will see you again. Until then my king my son keep your eye on the sparrows they will guide your wings to fly by just to check in on me from time to time. I know you loved us all and that we loved you more. Baby i only can hold Gods hand until he bring me to be with you once again were death is no longer a issue to look forward too. Thank you for the years you gave me and your sisters and grandmother. We love you always son i miss you so so so much Rest in Paradise (RIP) " I LOVE YOU HARVEY LEE MATTHEWS III AKA MY BOO-BEAR.
