“ I wish to extend my deepest and most heart-felt condolences for a dear and loving spirit in the person of "Kitty".

I had the pleasure of meeting Kitty in 1990 when I became a Chum. I can hear her say, "Now you know you're my daughter don't you". I would then say, "how blessed I am to be y dour daughter".

I will always remember Kitty's colorful expressions of warmth and love. It is comforting to know she is free from her earthly body and the pain associated with it. I envision her rejoined in spirit with her beloved Nathan.

I will hold Kitty close to my heart in fond memories.

Lovingly submitted,

Her Chum daughter, Michele
