“ Mrs. Antoine was a remarkable woman. We had the honor of knowing her for the past 20 years. She offered us guidance on steering our children through the Shaker schools and developing their artistic abilities. She will be missed, but her legacy will continue in the infinite future. We are praying for peace and comfort for Dr. Antoine and her entire family.

Sincerely,  
Tracy & Reginald Williams

“ To Bert and family,

June was one of my favorite people at Plymouth. A great lady. I will always associate June with the arts, especially music, and with concern for others. The family rallied around an unspeakable tragedy many years ago and I have long admired the family's spirit.

Bert, I just came back from the ER with a bad bout of asthma. I was unable to come to Boyd's today as planned and I may not make the service tomorrow at Plymouth. Please understand that my prayers are with all of you, and of course with June.
