“ *Im still in disbelief, this really broke my heart. You were loved unconditionally by so many people and I know youre looking down smiling. Ive known you my entire life, so this is definitely hard for me. Im at peace because I know you died doing what you love and thats riding your bike. I love you and youll forever live in my heart. Ill see you next weekend for that final ride. R.I.H*

“ *Lamont, words cant express how losing you hurt. Weve known each other since we were young teenagers and you were on the run, lol!! reached for the phone to hear your raspy voice, but reality hit that your voice is forever silenced. I will hold our last conversation 2 weeks ago close to my heart. Thank you for always being present in my life and for loving me unconditionally. RIP sweetheart and I will FOREVER love you i,*
