“ My sincere condolences and prayers to the Family and Friends of Linda Graves. I worked with Linda at Cuyahoga Community College. We always had good conversations. She was so polite and helpful to me. May you all draw closer, and support each other in the days ahead. We treasure the resurrection hope, and look forward to seeing Linda again - healthy and happy. Love and Peace. Cynthia Gilchrist

“ Our Beloved Friend Linda, words felt, but perhaps left unspoken. We probably first met during your beginning days in the 1990s at the then-called Admissions and Records Office of Cuyahoga Community College, Western Campus. In your gentle, dedicated, quiet way you touched lives, both for students and myself. Your presence, patience, and willingness to help will always be your legacy. An unanswered question found its answer. The task started saw its completion. Your caring spirit felt. Forever Friend, Linda. You are a beautiful soul. Dearly missed, but never ever forgotten. To your sisters and family, God's peace, hope, joy, and blessings be theirs in abundance... "There is always light, if only we are brave enough to see it. If only we are brave enough to be it.".....
