“ Dearest Winnie & Family,
I am so shocked to hear of Lindsey's passing. I am totally dumbfounded. What can I say? Lindsey meant the world to both me and Mary Ann. It was only 4 short months ago that Mary Ann left us. Now, Lindsey is gone too.
We should find comfort in the fact they are both with our dear Lord. Heaven has no sorrow that heaven can not cure.
Lindsey always treated me with respect and dignity. He was a true friend to me. I shall always remember and cherish him in thought and deed. Lindsey will always have a place in my heart as someone special in my life that graced my life and enhanced my life. May God continue to bless each and everyone in the Washington family during your hour of grief. Know that my thoughts and prayers are with you all today and always.
Love to you all!
