“ Meryl,

It is with great sympathy that I write this condolence on behalf of your mom. I lost my mom in 1999 and she too had retired from CMSD. You promised to wear purple beads in remembrance of her for me. Again I thank you. Please allow God to be the lifter of your head in this time of bereavement. May the blessings of the Lord overtake you today and every day.

“ I was saddened to hear about your mother. Having lost mine a few weeks ago, I especially feel your loss. No words can ease the pain, but know that she will always be with you, and that one day you will be re-united in our Father's house.

Remember things about her that made you smile, that made you love her and know that those things are everlasting.
