Maria Valenzuela Obituary

Maria Antoinette Valenzuela, was born on May 20, 1980 in Hyde Park, New York to Yvonne A. Valenzuela. She was the third of three children. She graduated from Stella Walsh High School in 1998 and attended Brian Stratton College for (1) year. Maria worked at the Ritz Carlton Hotel in downtown Cleveland following high school. She had actually worked a couple of jobs to get her red shiny Dodge Car at 19 years old. Maria went on to work in sales as a floor associate at the City Blue Franchise working within various locations: Euclid, Randall Park Mall and E.116th. She really loved that job because she had a sporty/urban style so it was her style of clothing. She also worked at Amazon and for a Lawyer - Mr. Cramer.

Maria loved to draw and she was great at it. The picture she spoke of on display at her middle school (In the reading of her own words), she gave it to her older sister Felicia.

She leaves to mourn her passing, her devoted mother Yvonne Antoinette Valenzuela, sister Felicia Yvonne Earl and brother Jerry Vaughn Earl, niece Shawniece Felicia-Yvonne Massey, nephew Chayne Sir-Vaughn Earl and host of other relatives and friends. She will be missed for her jokes and smile.
