“ "My prayers are with the Booker Family. Continue to look to the Lord from where your help comes from. She was like a mother to me. She was always willing to share her knowledge with me, whenever I needed help with anything. I will truly miss her. Love you Bridget and Family".

“ My prayers are with The Booker Family at this time. Your mom and my mom go way back to before we were all born. Mt. Sinai...Inspirational choir days..and just true friendship over many years. Mary Lou was such a source of strength and encouragement to me in my life, She will remain in my heart and memories. I love you all and praying for strength.
