“ Dear Shaneetra and family,

We're so sorry for your loss. What a fitting tribute for your grandmother to die on Mother's Day. She clearly initiated a line of beautiful, bright, caring women to carry on her legacy.

*Our best,
Sharon and Gerry*

“ *Dear Shaneetra and family, I know it is hard to lose your beloved grandmother. Heaven has embraced her now and she could not be in a better place. Someday, we'll all be free. Rejoice and keep smiling, each succeeding day, the pain gets less and less. Please let me know if I can do anything. With love, Aunt Margie*
