“ Patricia is a sister gone on home to be with the Lord, there are so many fond memories of her so many times we shared laughter. Patricia (Trish) suffered long enough and I thank God that he allowed her to linger with us for the time that he did. As a family we are glad that we were able to give her the flowers she so much deserved while she was living that she could see and smell them. Trish will forever live in our hearts she will never be forgotten memories go way back. How many people can say that we never fell out and never had a argument we could always sit back and laugh. To her husband Mack I look that the two of them regardless of good times or bad stuck together with each other as their wedding vows were recited that it was till death do they part. We hope that the family finds closure and peace that Trish is now sleep waiting for the coming of the Lord when all the dead in Christ shall rise. Each bag of popcorn we eat, we will salute Trish and remember all the way back to the white dish pan of popcorn, we will remember the day of strawberry picking and she fell in the patch, and oh those concord grapes that she just could not stop eating. Trish was a giver and not a taker there was much love in her heart. Regardless of the days of pain she never did complain. Love You Trish The Russell Family.
