“ *This is such a great loss for me. I have known Rhunette for my whole life. She was a beautiful, caring and loving person. The world is a better place because she was here. She is now with our father in heaven. No more pain or suffering. I already feel her spirit looking down on me. We are all be better off because she was in our lives. Bye for now my friend. One day we will see each other again. Peace and love to you and your family.*
