“ The last conversation I had with Daddy Ron was that of selflessness, gratefulness and peace. Â In the midst of dealing with his own trials, he saw fit to express extremely kind words for my mom who is going through chemotherapy. Â It was his prayer that she forged through and prosper in good health. Â I’ll always remember the strength of his voice, the honor he possessed and his repertoire of great stories. But I’ll never forget the depth of his heart. My prayers to the family with the deepest sympathy. ðŸ’œ
