“ I'm sorry to hear that Sam has passed away I had the pleasure of working with Sam at the main post office for many years. Sam was a huge basketball fan and he loved his cavaliers. I remember coming over to Sam's house in university heights with some other coworkers in the morning after working all night playing basketball in his backyard. Sam was truly one of the good guys at work always upbeat and never changed his personality when he went into management. My condolences to the Jones family. May God bless you all R.I.P.
