“ Although my heart is heavy and my thoughts are sad, I rejoice in the Lord knowing there is a group of people having a great time in heaven. As Christians we learn to lean not to our own understanding. We could ask why take Sherri from us now when she had so much more work to do on earth, so much life to live.

Sometimes God just wants another angel in heaven. Sherri I know you are keeping them straight inside the pearly gates---discussing politics, life, money and all the parts of life that interested you most.

We all miss you and we will work very hard to keep your memory alive for future generations-Aunt Sherri, Cousin Sherri and to me, sista-girl friend Sherri.

To the family remember the blessing that God gave you for 48-49 years. Cherish the memories and feel the love. God bless you and may he give you strength through the life changes.

“ My heartfelt sympathy to the entire family of Sherri. I worked with Sherri at the Cuyahoga Metropolitan Housing Authority. She was also a client of Kaiser Permanente where I worked as a Marketing Representative. It's incredible to learn of her passing; however, I do believe that when she is absent from the body, she is present with the Lord. May God comfort each one of you, and I shall continue to pray for you.
