“ *Mother Waldon will be truly, truly missed. Her laughter would brighten the room. Her prayers would make you wanna shout, because they were HEARTFELT & SINCERE.. Iâ€™ll miss our lunch break talks. She was waiting to leave the hospital to go to rehab. She went to Rehab, but not down here. No more weak luimbs, no more dialysis and no more pain or tears. I do plan on seeing her again. May God comfort her family.â€™ Name Sakeâ€™ Shirley Coleman*

“ *To the Waldon Family, no words can begin to express my experience with Mother Waldon. Her smile, her laughter and the way in which she prayed, Mother Waldon was truly a praying mother not only about her children, grandchildren and great grands but with the church as a whole. You could feel the words going up into the atmosphere knowing that who ever and what ever she was praying about has been heard. To all of the Waldons hold on to God's unchanging hand, prayers we continue to go up.*

“ *It's no secret she was one of my favorite people and my favorite usher. That said, I may be biased in saying she was the best doorkeeper at GMT lol. She always greeted you with the biggest smile and gave the best hugs! My condolences to all who loved her...May she rest.*
