“ *"She is more precious than rubies: And all the things thou canst desire are not to be compared unto her. Length of days is in her right hand; and in her left hand riches and honour. Her ways are ways of pleasantness, and all her paths are peace. She is a tree of life to them that lay hold upon her: and happy is every one that retaineth her." Provers 3:15-18*

“ *God grant us the Serenity to accept the things we cannot change...Courage to change the things we can and...Wisdom to know the difference.*

My memories date back to 997 Lakeview Road. Memories sitting in the kitchen eating ice chips. Mother spoke soft words of encouragement to all the young ladies and youth.

God is good..all the time.

“ *Mere words cannot express the sorrow and condolences I feel as a family member. I can say that time will heal all hurt and sorrow with the memories to comfort. I will miss my Auntie and will cherish the memories of the times I had to spend sitting in her kitchen having a meal or a chat during my visits. Do know that now there will be no more pain or medications or worries. Much love to the rest of the family.*
