“ Uncle you will be well missed. I got introduced to you when I was 12 years old, and you treated me no different , you treated me a like a real nephew. I remember driving your 1975 Chevy , you had no problem throwing me the keys. I had a choice to drive your sister 77 chevy and you know which one I took... LOL!!! and to this day I love Chevys..I remember you taught me how to wrestle and we always use to wrestle in the living room...you will be well missed. Love Always Lil E.

“ Hey dad the memories. Remember the times when i could sleep at night when I was a child you would let me lay next to you and you would comfort me. When work so hard to provide for the family. when the first time I shaved my legs and i cut myself. You asked why did i do it, and i said because the other kids were makin fun of my hairy legs. You told me that my legs were beautiful ans to ignore them mean kids. Remember the times mom would be really mean to me and you would always defend me. I love you dad and i will miss you greatly.
