“ To my favorite cousin, I will always keep you in my heart-there is not a day that goes by that I don't MISS you. I miss our everyday phone calls and OUR loud laughter about something crazy one of our family members is or has done. I know in my heart you are having a GRAND time in Heaven with our other family members like Aunt Lois, Uncle Alfred and Grandma Alberta and of course with Jesus. I know people say in time my heart will heal and it won't hurt as bad, but I don't see that ever happening. See Cuz, you and me share alot of similarities, mannerisms and of course I was named after you (my middle name) so the slightest thing triggers my mind down memory lane. I am crying as I type this, but I KNOW one day I WILL SEE YOU AGAIN AND WE WILL LAUGH LAUGH AND LAUGH. Because a rose is still a rose.

“ I remember getting my first car that kept Wynter in I "in trouble". For some reason, we could never seem to make it home by curfew...All we could do is "laugh"about the trouble we would be in when we got home....I miss those days....I miss my cousin...

“ *Dear Butch,
Words cannot express my heartfelt sympathy. I know that you know The Lord and He will see you and your daughter through life's journey.
I fondly remember meeting you, Wynter, Starla and Crystal at your mom's house for dinner. She was a beautiful, warm and loving lady. Always smiling and having fun with the family. She is still smiling.*

Peace to you and yours.
